Credit Application Network

How can Dealertrack help you better serve your customers, reach more dealers and drive growth?

Dealer Self-Enrollment

Grow your indirect auto lending business by targeting your choice of more than 22,000 dealers.

BookOut for Lenders

Book values and complete option values on used vehicle applications are at your fingertips.

Payoff Quotes

Reduce misquoted payoffs and charge-off risk. Your dealers can access payoff data 24 hours a day.

Dealer Reserve

Provide all the reserve information your dealers want, and eliminate the risk of lost reports. Your dealers will have immediate access to reserve statements and history.

Announcements

Communicate efficiently with dealers, automatically notifying them when new documents are available and informing them of new product offerings.

Program Guides

Provide dealers 24-hour access to current copies of all essential forms from a central location.

Contract Status

Your dealers have immediate online access to their retail contract information, including funding details. To further enhance communications, you can include comments from your credit analyst, with links for questions and clarifications.

DealUpdate™

Allows previously decisioned credit applications to be revised and delivered quickly. You control which deals are eligible for automated updates.

Program Routing

Automatically inform dealers of your program parameters and identify the deals that meet your lending spectrum. Built-in override reporting helps identify sales opportunities.

Rate Sheets, Documents and Forms

Streamline communications by publishing customized PDF files of rate sheets and program guides. Provide dealers 24-hour access to current copies of all essential forms from a central location.
